Silent Garden

The Michelin-starred restaurant Atelier is located on the main floor of the hotel. It was created by the renowned Belgian art merchant Axel Vervoordt and is held in a luxurious and plain design in the style of an artist's atelier. The small rooms provide an extra cosy atmosphere.

The comfortable Atelier Privé is located behind a mobile wall which was designed by Dirk Vander Eeken. From there, you can reach the Silent-Garden, a terrace embedded in Amur maple. Combined with the aperitif bar, this ensemble builds a perfect setting for special occasions with smaller groups.
