

# TRADER VIC'S

The Trader Vic's restaurant is located in the basement of the hotel and will envelop you in Polynesian exoticism. The contorted architecture with loving attention to details fascinates with carvings from Tahiti and Hawaii, cappi mussels from the lagoons of Lucon and handmade tikis from Fiji.

Smooth sounds of the South Sea and the exotic atmosphere make the Trader Vic's restaurant the perfect setting for extraordinary events. The Menehune Bar is available for special occasions with smaller groups.
