SUMMER IN THE CITY AND AT THE HOTEL BAYERISCHER HOF.

Enjoy a summer full of experiences in the global city with heart. Here, tradition meets modernity and city meets nature.

Wellness and relaxation

After a long eventful day in the city, a little rest for body and mind is always a good idea.

Relax in our Blue Spa wellness area with a view over Munich and swim a few laps in our pool or enjoy our comprehensive range of massages and beauty treatments.

In the morning, the terrace in front of our gym invites you to a little outdoor yoga session. Rebalance body and mind while you let your gaze sweep all the way to the Alps.

Culinary world tour

With our 5 restaurants, including the Atelier, Munich's only three-star restaurant, and 6 bars, you can send your taste buds on a journey. Enjoy the warm weather on our Garden Terrace or admire the view over the rooftops of Munich with a cool cocktail or a hearty BBQ speciality on our Blue Spa Roof Terrace.

Munich's green lung

On sunny days, the green and shady parks offer a welcome change and invite you to linger a while and rest. Discover the most beautiful corners of the Englische Garten. The green oasis in the centre of Munich is one of the world's largest inner city parks and besides relaxation has a few more attractions on offer. Right at the entrance to the park is the Eisbach, Munich's own man-made wave, where surfers from all over the world come to perform their stunts. Only a few minutes' walk from the hotel, the Englische Garten is also perfect for a jog or a long walk. You are also welcome to borrow one of our hotel-owned bicycles from the concierge.

Shopping

Munich offers everything your shopping heart desires. Within walking-distance you will find exclusive boutiques and big brands that invite you to stroll through the shops.

A summer packed full of offers

Many great promotions await those booking our summer packages. Be it for cultural events or an extensive shopping tour. We keep all the information for you in a folder in your room.

Picnic in the park

Take advantage of the beautiful weather and go for a ride on our Babboe Curve Mountain Cargo e-bike. This offers enough space for a picnic basket full of culinary highlights, which we will gladly put together for you in cooperation with Louis Roederer.

Summer in the City

Ride the roller coaster in the Olympic Park, enjoy the great view from the Ferris wheel at Königsplatz or simply listen to one of the many open-air concerts. Summer in the City was already a huge success in 2020 and will take place again this year, exuding holiday flair in Munich.

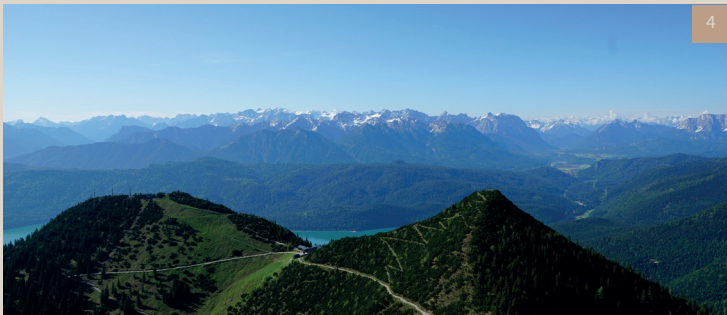

Excursions for young and old

Munich is not only a global city with heart, but also perfect for a trip with the whole family.

Visit the **Hellabrunn Zoo**. It is the first geo-zoo in the world and one with the most animals in the whole of Europe. Monkeys, giraffes, lions and much more look forward to your visit.

Football fans of all ages should definitely visit the **Allianz Arena**. Seven days a week you can experience the FC Bayern Museum, the Store and the stadium up close.

You've always wanted to take a look behind the scenes of the film and television world. You can experience this at the **Bavaria Filmstadt**. Discover how a film or TV production is made and immerse yourself in the world of the moving image.

DISCOVER THE MUNICH COUNTRYSIDE.

A few minutes away from Munich, a magnificent natural setting awaits you. Take a day trip and climb one of the peaks in the foothills of the Alps or use the time for a refreshing swim in one of the many lakes.

Relaxation in the Fünfseenland (Five Lakes Region)

The Fünfseenland is made up of the Starnberger See, Ammersee, Wörthsee, Pilsensee and Weißlinger See. Around these popular bathing spots, you will also find cycling and walking paths which make any excursion into a wonderful experience. You can also enjoy the unique panorama on a boat trip and discover different corners of the Starnberger See or Ammersee.

Mountain and walking tours

Those craving bigger sporting challenges can take mountain and climbing tours with the most varied degrees of difficulty - the view from Gipfelkreuz is certainly worth the effort. Discover King Ludwig II's favourite mountain, for example. The Herzogstand not only has many beautiful paths, but also the Herzogstand Cable Car. A spectacular view across the Walchensee awaits you at the top, which is also described as the "Bavarian Caribbean" thanks to its turquoise colour.

Tyrol Mountains

Not far away, the mountains of Tyrol await you. Combine your holiday in the global city with heart with a time-out in Kitzbühel at our sister hotel Zur Tenne. Travel in the comfort of one of the vehicles from our exclusive mobility partner SIXT or treat yourself to a very special experience with a helicopter flight from our partner BHS. Admire the peaks of the foothills of the Alps from the air and arrive in Kitzbühel refreshed and full of new impressions.
