**Méthode Mosaïque Modelante – Maria Galland Paris****90 mins/130.00**

The iconic, ultra-personalized treatment with a spectacular lifting effect. For a rejuvenated appearance, redefined facial features, denser skin and a glowing complexion.

**Ridupuncture****90 mins/140.00**

This treatment can be used to combat the forming of wrinkles. It helps sustainably reduce mimic wrinkles using the body's own tissue. Fine needles are applied to the affected areas and led horizontally into the cutaneous fold. Gentle, pulsating microcurrents stimulate and activate the fibroblasts, causing the collagen fibres to mesh together; the connective tissue is rebuilt and the wrinkle filled out. The skin can tighten and revitalise itself and is once again well supplied with blood. One or several treatments may be necessary depending on wrinkle depth. A highly effective treatment involving cleansing, preparation, ridupuncture and ultrasound.

**Manual Lymph Massage****60 mins/130.00**

Soft and tender facial Lymph Massage eases puffiness and tired eyes. Finishing with bio-cellulose mask.

**Thirst-Quenching & Energy Booster Treatment – Maria Galland Paris****60 mins/95.00**

Leaves the skin intensively hydrated, plumped, revitalized and luminous. Supple, soft and smoothed, the skin has gained new energy and signs of fatigue appear reduced.

**Biomatrix-Masks (collage, hyaluron, caviar)****30 mins/65.00**

Through freeze-dried substances, this treatment achieves a strong moisture retention. It is particularly suitable for allergic skin, dry skin or skin damaged by couperose. Also popular during a manicure or pedicure.

We will be happy to advise you on further treatments such as the removal of enlarged veins, oil seeds, fibroma, keratosis, spider naevi, etc. We are able to treat these conditions.
