

Such a delight to be sharing  
 briefly, one hundred and fifty years,  
 of history of this supremely grand  
 hotel. In this society it is wonderful  
 to see a family tradition survive  
 in this length of time.  
 Thank you for your warm welcome  
 to us, we feel honored by the  
 special warmth of this beautiful  
 hotel and we thank you for  
 embracing us with such friendliness.  
 I do hope we can return.
