PANORAMA SUITES

Welcome over the roof tops of Munich: With its private hideaway of spacious suites and exclusive rooms, the Panorama Floor has been especially created for guests looking for privacy. A fireplace, whirlpool and 80 square metre roof top terrace with a view up to the Alps - in this surrounding designed by Count Siegward Pilati the highest levels of luxury come as standard.

The Panorama Floor is situated on the seventh floor of our hotel and offers three two-bedroom suites and two three-bedroom suites that can be flexibly extended to create a suite of up to six bedrooms with a separate foyer. Elegant bathrooms, romantic fireplaces and protected roof top terraces with breathtaking views invite you to unwind.
