

# ROYAL BAVARIAN SUITE

The royal luxury with which the Hotel Bayerischer Hof has flattered its guests over times can indeed be traced back to an actual king: It was Ludwig I of Bavaria who in 1839 inspired the construction of the hotel. Even if the days of the Bavarian Monarchy are long over, the highest standards of rooms and suites still remain.

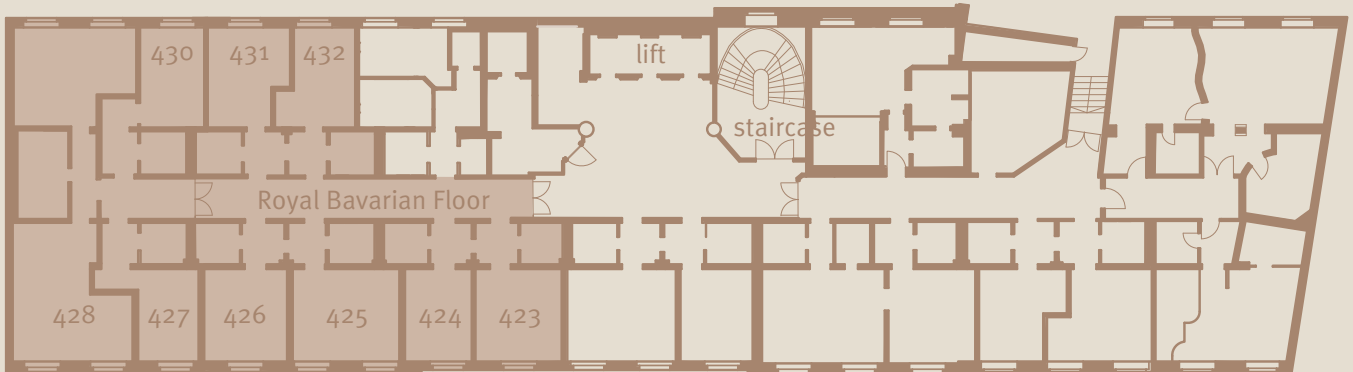

Stay in a stylish ambience, enjoy the comfortable furnishing and lovingly-designed details and delight in the wonderful bathrooms. The suites are located in the main building, on the third and fourth floor and can be configured individually.
