SMALL SUITE COLLECTION

This selection of suites offers plenty of variety: The cosy **Bavarian style suites** radiate traditional Munich flair. Or playful with a floral note in the style of English design house **Laura Ashley**. With the **colonial style** we bring the wonderful world of Africa to Europe. You will be welcomed with the glowing colours of the Savanna, soothing earth tones accentuated by striking exotic fabrics as well as impressive bathrooms created by the Italian designer Renato Rabbio.

Enjoy unobtrusive luxury in the style of the famous architect **Count Siegwald Pilati**. The modern and elegant rooms feature shades ranging from pearl grey, taupe, champagne or sunny yellow ochre, radiate stylish clarity and offer a comfortable living ambience. Some can easily be combined and therefore offer commodious spaciousness, accentuated by precious fabrics, trimmed upholstery and decorative elements.

Exciting contrasts in rich reds, noble black and modest sand tones, lend the **Cosmopolitan R&B** suites an air of contemporary chic. The interior with comfortable leather armchairs and hand-made Wengé wood lamps by the French designer Philippe Hurel as well as precious fabrics by Manuel Canovas and bathrooms with sand-coloured, sawn marble and amber mosaics unites the highest international home décor with genuine comfort.
