

TWO-BEDROOM SUITES PILATI STYLE

Savour understated luxury in the famous style of Atelier Pilati. The modern yet elegant suites – which feature subtle tones such as pearl grey, taupe and champagne – exude both fine design and a cosy atmosphere. The rooms’ spaciousness is underscored by exquisite materials, upholstered furniture with piping, and numerous decorative elements.

The suites, which look out onto the inner courtyard, can be accessed via two separate entrances to the living room and bedroom. Alongside dining and seating areas, the living area also features a state-of-the-art kitchenette with induction hotplate and sink, not to mention a walk-in wardrobe in the hall and three bathrooms.
