THE LEADING HOTELS
OF THE WORLD®

City & Country Package

Discover the most beautiful places of Bavaria

Located in the heart of the vibrant Bavarian metropolis, the Hotel Bayerischer Hof welcomes you to an unparalleled experience.

Begin your stay with two nights, complemented by breakfasts in our rooftop garden that offers panoramic views of Munich. Upon arrival, a delightful treat from our esteemed Hofpatisserie will be waiting in your room. In the evening, indulge in one sumptuous 3-course meal at either our award-winning Garden restaurant or the exotic Polynesian-themed Trader Vic's.

What can you do during your stay?

Dive into Munich's rich cultural tapestry with complimentary access to a myriad of the city's museums. Our commitment to art and culture is evident right from our luminous winter garden, designed to echo the ambiance of an artist's studio. As a memento of your unforgettable stay, we'll gift you a copy of the Hotel Bayerischer Hof's cherished book, "Encounters", ensuring the memories you make here linger long after you've left.

Althoff

SEEHOTEL
ÜBERFAHRT

Tegernsee

Just a 45-minute drive from Munich, the Althoff Seehotel Überfahrt welcomes you on the shores of the picturesque Tegernsee in Bavaria, Germany.

Set against the breathtaking backdrop of the Alpine foothills, the Elegant Nature Resort is a haven of tranquility. After immersing yourself in the cultural delights of the city, retreat to two nights of pure serenity amidst nature's embrace.

Upon entering your room, be greeted with a special Bavarian treat, a nod to our cherished regional alpine cuisine. Elevate your experience by taking a gondola ride up Wallberg mountain, offering a unique vantage point over the shimmering Lake Tegernsee.

As the evening descends, embark on a gastronomic voyage in one of our four distinct restaurants. Relish everything from the hearty alpine flavors of Bavaria and the homestyle "Cucina Casalinga" of Italy to the sun-kissed tastes of Mediterranean lake and countryside fare.

We are looking forward to your inquiry:
